

# MEN AT WORK

THERE'S NO DENYING THAT A GOOD DAY AT THE OFFICE MAKES A MAN FEEL MORE LIKE A MAN - NO MATTER WHERE THE OFFICE MIGHT BE. FOR THIS SPECIAL ISSUE, PHOTO EDITOR GARY MOSS FOUND THESE SEVEN HARD-WORKING LOCAL GUYS AND PUT THIS QUESTION TO THEM:

LOVE MOST ABOUT  
YOUR JOB?

It's the constant new adventures,  
living in nature, and meeting extraordinary  
people from all over the world.
